- **First Day Back from Break**
 - Jan. 6, 2025

Principal's Corner

Term One is finishing up and we are looking forward to the New Year. What goals will your children set for themselves for the New Year? We are seeing some great empathy and kindness towards one another outside and are still working on kind words and developing independence in solving small problems with their peers. There are some great links to storybooks on our website so keep reading over the Winter Break! We also have POW for Math.

Enjoy your Break and Stay Healthy!

Student Leadership Event ‘Mix Match Day’

On Wednesday, December 11, Student Leadership has planned their first Spirit Day--called Mix Match Day. On this day, our community is asked to be creative in using clothing that they already own to do “mix match”. Some examples may be wearing two different socks, or mixing patterns (polka dots and stripes), or matching with a peer. We hope to be inspired by the students’ creativity. Student Leadership will be making posters and announcements to advertise the day!

Twelfth Avenue is a great community to belong to! Thank you to all of the volunteers who are helping with the Pancake Breakfast Event. We are so fortunate to have families help with these memory making events!
