Nov. 22 (No school for students)
- **Young People's Concert (#1)**  
Nov. 28 (All Intermediate students)

### Academic Highlights

#### FSA's

Students in Grades 4 & 7 will complete their assessments by Friday, November 8. Once marked, booklets will be sent home to families, even if your child was exempt. Please expect them in early December.

#### Problem of the Week

A reminder to families that every week we post word problems to our website under the 'Problem of the Week' tab. Solutions are posted a week later. This is a fun way to develop problem solving skills and a great resource for students who enjoy math. If you cannot solve it, wait for the solution and learn the strategy!

### Principal's Corner

Cooler, wet weather has arrived. Please ensure students are dressed for it as they go outside daily in the wind, rain and snow. Pack a pair of gloves and toque in the backpack--just in case. If families need support getting essential winter clothing items, please let Mrs. Pitt know as we may be able to help.

### Important News

#### Student Leadership Committee

We invited students from Grades 5-7 to join our Student Leadership Committee. We have 22 students who signed up. One of their first projects was to help with the Primary Pumpkin Patch.

A group of students are also helping collect donations for the 'poppy fund'. Donations collected during the Poppy Campaign go to local Legions and are held in Trust at the branch level to directly support Veterans and their families.

Thank you 

Thank you for your continued support and partnership in your child's education journey. We enjoy working with all of you and your children. Twelfth Avenue is a great community to belong to! Thank you to all of the volunteers who helped with the Pumpkin Patch and recent field trips and sports events.
