# Tips to make reading an enjoyable experience for kids:

- ✦ Let them choose what to read. Kids are more likely to enjoy reading when they have the freedom to pick their own books.
- ✦ Ask questions about what they are reading. Try asking questions that don't have right answers, like "what do you think will happen next?" or "tell me more about your favourite character?" When you talk while reading, they get more involved in the story.
- ✦ Read in your home language. Talking, reading and listening in your home language helps to develop language skills and cultural identity.
- ✦ Encourage reading every day. Set a special time or place for reading. The more kids read the more they will enjoy it.
- ✦ Chat with your local children's librarian for book recommendations for your family.
